

ANSWERS AND SOLUTIONS

A TYPE OF CRYPT by Faith W. Eckler

Poor Doe didn't know where to place her fingers on the typewriter keyboard. She was offset by one tier (her left pinky on the Lock key instead of the A). The resultant message as she typed the initialisms:

any day no wwe coul dse eacom bat in ira na bad war of wor
ds is onem bas sy bug ged send aid

Any day now we could see a combat in Iran. A bad war of words is on. Embassy bugged. Send aid.
